Sire:

The Puppy (_____) is guaranteed to be in good health, to the best of the Seller's knowledge, at the time of possession taken. After possession is taken, the Puppy will be solely in the care of the Buyer.

Monies are to be paid in FULL on or before the day/time of pick-up. Puppy will not be released until final payment is made.

Items included with puppy: Puppy bag, soft toy(s), blanket, registration, vaccination records, sample PawTree treats, and sample of PawTree puppy food.

This is a legal contract between Buyer and Seller. All future veterinary bills will be the sole responsibility of the Buyer. At no time will the Seller be responsible for any incurred expenses.

1. Three-day Wellness Guarantee Period

Seller has instructed the Buyer to have the Puppy checked by a licensed veterinarian within three (3) days of purchase (unless other arrangements made). If the veterinarian finds anything that is life threatening or substantially threatens the quality of life of the Puppy, it will be exchanged for another puppy of equal value, if available, or a puppy from another litter will be given as soon as it is available, provided a letter from the examining veterinarian, on official veterinarian letterhead is offered as evidence of the Puppy's illness, and the Puppy is returned within seven (7) days of pick-up. Puppy must be returned with all original paperwork and registration.

If Buyer's licensed veterinarian finds Puppy to be free of any life threatening disease or genetic disorders at time of exam, then Seller will guarantee Puppy for 6 months for genetic disorders only.

Common puppy ailments such as giardia, clostridia, coccidia, worms, mites, fleas, hypoglycemia, hepatitis, ticks, and any other bacterial, viral, or fungal infections are not covered in this guarantee. The puppy has been examined at (_____ weeks of age) by Seller's vet and all common illnesses/issues have been addressed and preventative measures taken.

Seller reserves the right to consult with a secondary local veterinarian before deciding course of action.

Any signs of depression, lethargy, lack of appetite, or desire to drink water, diarrhea (particularly with blood and/or mucous), or vomiting must be reported to the breeder and your veterinarian immediately.

2. Returns

The Seller will take a puppy/adult dog back at any point during its lifetime. However, the Seller does not, at any point, offer or promise any refund (whole or partial) of money to the Buyer. There is no refund regardless of the amount of time (short or long) the puppy/adult dog has been in possession of the Buyer. This is due to: the cost of the Seller's time, the cost of care and food, the cost of extra supplies for quarantining the puppy/adult dog for at least 2 weeks before a potential resell may occur, the cost of veterinary care for an unknown amount of time, and the unknown price the puppy/adult dog may resell for. There is a huge risk to the Seller's program and the future of the program when the Seller takes a puppy/adult dog back, which the Seller is happy to do, but the Seller follows very strict protocol to maintain the health

of the Seller's property, breeders, puppies, and pets. The Buyer acknowledges there will be no type of refund offered upon return of the puppy/adult dog.

3. No Abuse/No Shelter/No Rescue

The Buyer agrees that at no point in this puppy's/adult dog's life will it be abused, surrendered at a shelter, or surrendered to an animal rescue. The Buyer agrees to notify the Seller first if the Buyer is no longer able to keep/take care of the puppy/adult dog. The Seller agrees to aid the Buyer in finding a suitable home for the puppy/adult dog however the Seller sees fit.

4. Non-Transferable

This contract is not transferable and is between the Seller and the original Buyer only.

5. No Other Warranties

It is further understood and agreed that no warranty or representation has been made with respect to the described Puppy except as set forth herein. Buyer agrees to hold Seller harmless and free from any liability from the time Buyer has taken possession of the Puppy.

6. Entire Agreement

This Agreement represents the entire Agreement between the parties and there are no other agreements, expressed or implied, unless included in this Agreement or by a writing signed by both parties and made a part hereof.
